

Photography Policy

A policy for **everyone** to follow to create a safe and fair club.

Occasionally during sessions, selected coaches will use the club approved iPad for analysis purposes. If any parents have any concerns regarding suspicious activity, please notify a coach or management immediately.

Any parent wishing to film, video or photograph their child at gymnastics MUST first obtain permission from the lead coach/welfare officer and the appropriate forms completed and submitted.

1. The permission to film or video your child at gymnastics class or event is regarded as a privilege and not a right.
2. Non-parents, (i.e. nannies/grandparents/child minders etc) must obtain written permission from the parent of the child prior to filming or photography.
3. Parents may not enter the training area for the purpose of filming, unless expressly invited to do so by the Management.
4. You may not publish any images taken at Invoke Gymnastics Club in any way and more particularly on the internet/social media for any purpose unless they contain only your child.
5. You must not use the photographs for any reason that could be derogatory to the gymnasts, coaches, other gymnasts abilities or to discredit the Club.
6. *The club policy considers exceptions for Adult gymnastics (16+) and Freestyle classes. A waiver form for participants attending must be read and signed if video analysis / photographs are requested. The club accepts photography may be used for training purposes. A request must be made to the lead coach before photos/videos are taken during sessions. This is to be exercised under the strict guidance of adhering to the rest of this policy.
7. Any breach of the above conditions will result in the clubs behavioural policy being followed. Including the person being asked to leave, and their film/ images confiscated or deleted. Serious breaches may result in the person committing the breach being barred from attending training sessions, or could result in legal action being taken.
8. This policy applies to all forms of Film/Video inclusive of Mobile Phones and Handheld Tablets.
